

Child Care Hours

Child's Name _____

In the space below, please provide us with the hours that your child will be attending Children's Tree House Preschool & Childcare.

The hours that you list do not have to be the exact times, but the time that you feel will be the earliest your child will be at the center, and the latest time your child will be picked up.

For the children and the staff's safety, we do not allow children to be at the center for more than 10 hours per day. If you feel that this is a problem for you, please inform Natasha Remis.
