

Personal Babysitting Waiver

This waiver is to confirm and guarantee that Children's Tree House Preschool and Childcare, LLC is not responsible or liable for any incidents or accidents that may take place outside of the center, if you are making the personal choice to hire one of the staff from the center, outside of their center hours and duties to watch your children.

Caring for your children here at the center we impose all rules and regulations set forth by the state of Wisconsin. Outside of the center, those rules are no longer implied, but I would hope that any individual would offer nothing but exceptional care.

I have read this waiver and understand that if I choose to hire a staff member to watch my child(ren) outside the center on their own personal time, Children's Tree House is not responsible or liable for anything that may occur.
